Maine Turnpike Authority

Dear Maine Turnpike Business Customer:

The introduction of *E-ZPass* on the Maine Turnpike provides your business with new options and opportunities. It will also require you to make some key business decisions. For example, the compatibility of *E-ZPass* allows your company to establish an account with a single agency while enjoying *E-ZPass* travel on dozens of toll facilities. Based on your fleet travel patterns, toll costs and available discount programs, you'll need to determine which *E-ZPass* agency is best suited to host your company's account. If you decide to establish an *E-ZPass* account with the Maine Turnpike, you'll then have to choose between several plans designed to serve the varying needs of our business customers.

- The traditional **Postpaid Business Plan** offering monthly billing and volume discounts for Maine Turnpike travel only.

- The **Prepaid Business Plan**, which allows your tolls to be deducted from a prepaid balance when traveling in Maine or on any other E-ZPass compatible facility.

- The flexible **Prepaid/Postpaid Combination Plan** which combines the benefits of both plans. This plan provided monthly billing and volume discounts for Maine Turnpike travel, as well as prepaid travel on E-ZPass facilities outside of Maine.

Please read the enclosed material carefully and return all of the required application documents along with your initial payment as soon as possible. That is the best way to ensure that your vehicles are equipped with *E-ZPass* tags in a timely manner.

If you have questions, you may either call our *E-ZPass* Business Department toll-free at 1-888-MTA-PASS (1-888-682-7277) Monday through Friday 8:00am-5:00pm or visit our customer service center daily Monday through Friday 8:00am-5:00pm.
We look forward to helping your company make a smooth transition to *E-ZPass*.

Sincerely,

Business Department
Maine Turnpike Authority

CHOOSING THE RIGHT PLAN FOR YOUR BUSINESS

The Maine Turnpike *E-ZPass* Business Program offers three convenient options to suit a variety of business needs: a **Prepaid Plan**, a **Postpaid Plan** and **a Prepaid/Postpaid Combination Plan**. Choosing the right *E-ZPass* plan for your business will be important to help you get the most out of your new *E-ZPass* Business Account. Please take time to review the plan descriptions below before completing the enclosed application.

Prepaid Business Plan
This is a prepaid plan for businesses of all sizes. It allows vehicles in your fleet to have tolls deducted from a prepaid balance. Your drivers don't have to worry about carrying cash for tolls or saving receipts.

HIGHLIGHTS
• Good for travel on the Maine Turnpike and any other *E-ZPass* compatible facility.
• Tolls are deducted from a prepaid balance that is periodically replenished.
• Your business receives standard *E-ZPass* discounts when traveling on the Maine Turnpike.

Postpaid Business Plan
This is the traditional business plan featuring monthly billing and volume discounts for Maine Turnpike travel only. The Postpaid Business Plan must be secured with a minimum *$5,000 surety bond.

HIGHLIGHTS
• Good for Maine Turnpike travel only.
• Billed at the end of each month for tolls incurred on the Maine Turnpike.
• Secured with a minimum *$5,000 surety bond.
• Receive a volume discount for Maine Turnpike travel. (Please see "Volume Discount Chart" in the *EZPass* Terms and Conditions)

Prepaid/Postpaid Combination Plan
This is our most flexible *E-ZPass* business account option. It features monthly billing and volume discounts for Maine Turnpike travel and a prepaid plan for travel on other *E-ZPass* facilities.

HIGHLIGHTS
• Good for Maine Turnpike travel, as well as travel on other *E-ZPass* compatible facilities.
• Tolls on *E-ZPass* compatible facilities outside of Maine are deducted from your prepaid balance.
• Receive a volume discount for Maine Turnpike travel. (Please see "Volume Discount Chart" in *EZPass* Terms and Conditions)
• Postpaid portion of the account must be secured with a minimum *$5,000 surety bond.

*** Amount is subject to periodic review**

E-ZPASS BUSINESS ACCOUNT APPLICATION INSTRUCTIONS

Please read the following instructions carefully as you complete your application. You'll find your *E-ZPass* Business Account Application and all other necessary forms enclosed in this information packet. You also will need the following items:

• License plate numbers and vehicle registration information for vehicles in your fleet
• A calculator

If you have any questions, call our *E-ZPass* Business Department toll-free at 1-888-MTA-PASS (1-888-682-7277), **Monday - Friday, 8 a.m. to 5 p.m**.

Section 1

BUSINESS ACCOUNT HOLDER INFORMATION

Please provide all information requested, including full, legal name of the business, mailing and street addresses of your business. Be sure to list your company's actual business address, even if your mail is not delivered there. **Note:** if you are an individual opening and account for a Recreational Vehicle or other dual wheel six tired vehicle a Business name is not required. Account Holder's name is acceptable.

Section 2

E-ZPass BUSINESS PLAN SELECTION

Circle the appropriate plan for your business: Prepaid, Postpaid or Prepaid/Postpaid Combination. For a complete description of plans, please review the first page of these instructions.

Section 3

VEHICLE REGISTRATION FORM

Please use the Vehicle Registration Form enclosed to complete this section. This information will enable the Maine Turnpike to accurately administer your account and protect you against unauthorized charges and violations. Please provide the following registration information for all vehicles using your *E-ZPass* account.

• State where the registration was obtained
• License plate type (e.g., Apportioned, Commercial, Combination, Passenger Car, Lobster, Veteran etc.) If you are uncertain of a vehicle's plate type, please check your vehicle registration document.
• License plate number

All businesses must complete and return this worksheet with their application. If you need additional space to list all the vehicles on your account, please copy this form, and enclose all completed forms with your *E-ZPass* Business Account Application. **Note:** Apportioned, Commercial and Passenger Car are the only acceptable plate types for any out of state plates (other than Maine).

Section 4

TAG PURCHASE

All businesses must complete the *EZPass* Tag Purchase & Prepaid Balance Worksheet enclosed and return it with your application. Businesses applying for the Postpaid Plan only must complete just the Tag Purchase section of the worksheet. Businesses applying for the Prepaid Plan or Prepaid/Postpaid Combination Plan must complete both the Tag Purchase and the Prepaid Balance sections.

VEHICLE REFERENCE CODES (VRCS)

To assure compatibility between *EZPass* toll agencies, all vehicles are identified by a common Vehicle Reference Code (VRC). The VRC is determined by the vehicle's size, weight and number of axles and tires. Using the enclosed Vehicle Reference Code chart, identify the codes that correspond with descriptions of all the vehicles that will be using your *E-ZPass* Business Account and then enter them in the Vehicle Reference Code column on your Tag Purchase & Prepaid Balance Worksheet.

To avoid enforcement violations, be careful not to underestimate the most common configuration of your vehicle when selecting a VRC. ***For example, if your vehicle normally operates as a 5-axle tractor-trailer, but occasionally travels without the trailer, be sure to select the VRC for the 5-axle tractor-trailer.***

E-ZPASS BUSINESS ACCOUNT APPLICATION INSTRUCTIONS

TAG TYPE & QUANTITY
There are two types of *EZPass* tags: interior windshield and exterior license plate.
Enter the quantity of windshield and license plate tags you wish to order for each VRC group.
Most businesses prefer interior windshield tags, because they are easy to install and can be easily transferred between vehicles of the same VRC. Some businesses, however, prefer exterior tags because they cannot be easily removed from a vehicle.

TAG COST (**At no time are Credit Cards accepted for Tag purchases**)
For each tag type ordered, multiply across by the price provided to get the cost of tag purchases in each VRC group. Add the column of Tag Costs for all sheets to get the total for all *EZPass* tags ordered. Enter total cost in the space labeled Total Tag Costs at the bottom of the column. If using multiple worksheets, please provide a grand total for all sheets.
For example: 3 interior X $15 = $45

MAINE SALES TAX
Maine sales tax will be charged for all tags purchased by Maine businesses, sold at our retail center or shipped by the Maine Turnpike Authority to addresses in Maine. To calculate the Maine sales tax you owe, multiply the Total Tag Costs by 5.5% and enter the amount. **Note:** Businesses who are exempt from Maine sales tax must provide their Sales Tax Exemption Certificate Number or Maine statute reference with your application. Add the Total Tag Costs (for all sheets) and the Maine Sales Tax (for all sheets) and enter the total in the space provided. Also enter this amount (total tags and tax costs) in Section 4 of your *E-ZPass* Business Account Application.

Section 5
PREPAID BALANCE
This section of the Tag Purchase & Prepaid Balance Worksheet must be completed by all businesses applying for the Prepaid Plan or Prepaid/Postpaid Combination Plan. Businesses applying for the Postpaid Plan only are not required to complete this part of the worksheet.

OF AXLES PER VEHICLE FOR THIS VRC
Please enter the number of axles per each vehicle for this VRC group.
For example: A 727 (5 axle tractor-trailer) would enter "5"

OF TAGS ORDERED FOR THIS VRC Enter the total number of interior and license plate tags ordered for this VRC.
For example: 3 interior + 1 license plate = 4 tags ordered per VRC.

TOTAL AXLES FOR THIS VRC Multiply # of Axles per Vehicle for this VRC times # of Tags Ordered for this VRC to get the Total Axles for this VRC.
For example: 5 Axles per Vehicle for this VRC X 4 Tags Ordered for this VRC = 20 Total Axles for this VRC.

PREPAID BALANCE PER VRC
For each VRC listed, multiply the number of axles times $20.00 and enter the total in this column.

MINIMUM PREPAID BALANCE
To determine your minimum prepaid balance, add your entries in the Prepaid Balance per VRC column and enter the total in the space provided at the bottom of the worksheet. If using multiple worksheets, please provide a grand total for all sheets.

E-ZPASS BUSINESS ACCOUNT APPLICATION INSTRUCTIONS

OPTIONAL HIGHER PREPAID BALANCE
We recommend that your business establish a balance equal to at least one month of tolls to prevent your balance from being overdrawn or to prevent frequent charges to your credit card. Enter either your Minimum Prepaid Balance or an Optional Higher Prepaid Balance of your choice in the space provided and in Section 5 of your *E-ZPass* Business Account Application.

Section 6
INITIAL PAYMENT (**Initial payments may not be made with a Credit Card)**
Add the Total for Tags Purchased plus Sales Tax entered in Section 4 of the application to the Prepaid Balance entered in Section 5 to get your total initial payment. Please enclose a check and enter the check amount and check number in Section 6 for your Initial Payment. (Make checks payable to: Maine Turnpike Authority)

Section 7
E-ZPASS BUSINESS ACCOUNT STATEMENT OPTIONS (**PREPAID PLANS**)
Detailed printed statements are optional and available on a monthly basis for Prepaid Plan customers. If you choose to receive monthly statements, a monthly fee will be deducted directly from your plan balance. The monthly charge will be $2.00 for the first eight pages and $ .25 for each page after eight.
Please note: Business customers with Postpaid Plans will receive a free monthly summarized statement for their Postpaid Plan tolls and charges. Detailed monthly Postpaid statements are also available for $2.00 for the first eight pages and $ .25 for each page after eight.

Section 8
BALANCE REPLENISHMENT OPTIONS
In order to prevent your prepaid plan balance from being overdrawn, Automatic Replenishment payments may be made to your account using a valid credit card. If you choose this option, your balance will be replenished automatically when it reaches 25% of your Minimum Prepaid Balance.
For example: If your Prepaid Balance Amount from Section 5 was $400, your balance will be replenished and your credit card charged when your plan balance reaches $100.

AUTOMATIC REPLENISHMENT OPTION
If you choose to have your balance automatically replenished, initial the space next to the "YES."

MINIMUM REPLENISHMENT AMOUNT
Your Minimum Replenishment Amount is equal to the Prepaid Balance amount you entered in Section 5 of this application.

OPTIONAL HIGHER REPLENISHMENT AMOUNT
We strongly recommend that you establish a replenishment amount based on the tolls and charges you anticipate your business will incur during a month. If you expect your company's monthly *E-ZPass* tolls and charges to be higher than the Prepaid Balance listed in Section 5, and you want to prevent your balance from being overdrawn or avoid frequent charges to your credit card, you may elect to establish a higher replenishment amount.

MANUAL REPLENISHMENT OPTION
To opt out of the automatic replenishment option, initial the space next to the "NO." Please remember that you must keep your balance replenished by calling the *E-ZPass* Business Department during normal hours **Monday - Friday, 8 a.m. to 5 p.m**. or by sending in payments.
Please allow 5-7 days for processing if mailing a check.

E-ZPASS BUSINESS ACCOUNT APPLICATION INSTRUCTIONS

Section 9
CREDIT CARD INFORMATION FOR AUTOMATIC REPLENISHMENT
If you have elected the Automatic Replenishment Option for your Prepaid Plan balance in Section 8, please complete this section. **Note: You must provide an authorized signature when selecting Automatic Replenishment.** You must also provide an authorized signature when either disabling Automatic Replenishment or when providing a different credit card number for Automatic Replenishment. **Initial payments may not be made with a credit card**

Section 10
POSTPAID PLAN BOND FORM
Businesses applying for a Postpaid Plan or Prepaid/Postpaid Combination Plan must provide a $5,000.00 minimum toll surety bond using the enclosed Maine Turnpike Bond Form.

Section 11
OTHER COMPANY CONTACTS
Please include any individuals with your company who are authorized to purchase and cancel tags, as well as individuals responsible for bill payments. No information will be given to anyone not listed as a contact person on any account.

Section 12
AUTHORIZED SIGNATURE
The Authorized Company Contact listed in Section 1 (i.e., the "Account Holder") must sign and date the application.

SUBMITTING YOUR APPLICATION
Once you have completed the application and the appropriate worksheets and forms, please enclose them along with a check (payable to: Maine Turnpike Authority) for your initial payment in the reply envelope provided and mail to:

Maine Turnpike E-ZPass Business Account Terms & Conditions

These terms and conditions, together with a signed application, constitute an E-ZPass Business Account Agreement. Please read these terms and conditions and keep them for your records. By submitting an application to the Maine Turnpike Authority (MTA), or by using a Business Account E-ZPass Tag issued by the MTA, the applicant agrees to the following:

GENERAL TERMS

Important: Account Holder is responsible for all tolls, fines for non-payment, administrative fees and other charges or violations incurred under any Tag issued to Account Holder's Business Account or incurred by any vehicle bearing a license plate listed on 'Account Holder's Business Account. Failure to obey rules and regulations of the Maine Turnpike Authority or to comply with this agreement may result in suspension or termination of your account and additional penalties. Obeying posted speed limits at toll plazas is one such rule. Failure to pay tolls may result in additional penalties provided by law.

1. E-ZPass Business Accounts utilizing the Postpaid Plan, the Prepaid Plan, or a combination of both are intended to serve the needs of the 'for hire', small business, and major commercial operators. Accounts opened at the Maine Turnpike will utilize Maine Turnpike E-ZPass Tags and these tags may not be transferred to another individual or company.
2. Account Holder agrees to purchase an E-ZPass Tag, at the current rate, plus applicable sales tax, and to properly mount and use the E-ZPass Tag in accordance with the terms and conditions of their account. The E-ZPass Tag may be returned in good working condition for a full refund of the purchase price within ninety (90) days of purchase. Note: E-ZPass Sticker Tags cannot be moved among vehicles and will no longer function or be reattached once removed.
3. Account Holder agrees to provide and update license plate data for all vehicles on their account. E-ZPass Tags may be interchanged among vehicles having the same Vehicle Reference Code (VRC) listed in their account.
4. The Maine Turnpike Authority does not pay interest on prepaid balances.
5. Account Holder certifies that all information contained in their E-ZPass Account application is true and accurate. Account Holder agrees to notify the Maine Turnpike Authority E-ZPass Business Department during normal business hours if any of the information contained in their application changes, including but not limited to: changes to address, payment information, and license plate information.
6. Statements are available on a monthly basis for your E-ZPass Business Account for a processing and handling fee. Please refer to the Fee Schedule below.

PREPAID PLAN AND ACCOUNT

7. E-ZPass Business Accounts require a minimum prepaid balance, depending on the number of tags selected and the Vehicle Reference Codes for the vehicles listed. Please reference the Tag Purchase & Prepaid Balance Worksheet. However, the Account Holder may select a $0.00 prepaid balance amount if they elect to participate in the Postpaid Plan only. See Postpaid Plan section for additional information. Account Holder acknowledges that if they have a prepaid balance in their account, all E-ZPass Tags in that account will deduct from that same balance (with the exception of valid Maine Turnpike travel under a Postpaid Plan).
8. For accounts with a prepaid balance, Account Holder agrees to maintain a balance sufficient to cover all tolls and charges. Failure to do so is a violation of the Terms and Conditions of this Agreement.
9. Accounts may be assessed an administrative fee for overdrawn prepaid balances. Please refer to Fee Schedule.
10. All fees applicable to a Prepaid Plan will be deducted directly from your plan balance.

POSTPAID PLAN AND ACCOUNT STATUS

11. Postpaid Plans apply only to travel on the Maine Turnpike. Business Accounts must have an accompanying prepaid balance sufficient to cover out of state toll charges.

12. Business Accounts with Postpaid Plans are required to provide a surety bond to the Maine Turnpike Authority in an amount equal to two months estimated Maine Turnpike Authority toll and non-toll charges. The minimum acceptable bond amount is currently $5,000. The bond amount is subject to revisions based on actual charge history.
13. Summarized invoices for Postpaid Plans will be mailed monthly. Detailed invoices are available for a processing and handling fee. Please refer to the Fee Schedule.
14. The current Postpaid Plan discount schedule for travel only on the Maine Turnpike is as follows and is subject to change:
$ 00.00 TO $ 50.00 - NOT APPLICABLE
$ 50.00 TO $100.00 - 10% of the amount over $50.00
$100.00 TO $300.00 - $5.00 Plus 15% of amount over $100.00
OVER $300.00 - $35.00 Plus 20% of amount over $300.00
15. An Account Management fee will be charged to all accounts on a monthly basis. Please refer to the Fee Schedule.
16. All fees applicable to the Postpaid Plan will be added to the monthly invoice.
17. The Maine Turnpike Authority may suspend or terminate the postpaid plan for delinquent postpaid balances due.

E-ZPass TAG USE

18. Ownership of MTA E-ZPass Tags may not be transferred to another E-ZPass agency.
19. All E-ZPass Tags ordered by mail or online will be delivered by mail unless a request is made to pick them up in person at the Maine Turnpike E-ZPass Customer Service Center at 2360 Congress Street, Portland, Maine. E-ZPass Tags that are mailed become active for use forty-eight (48) hours from issuance. You may also purchase a tag at the Maine Turnpike E-ZPass Customer Service Center at 2360 Congress Street, Portland, Maine, during regular business hours, which are subject to change. Tags purchased at the Service Center are valid for immediate use. E-ZPass Tags are not available for pick up at toll booths.
20. Account Holder agrees to mount and use the E-ZPass Tag in accordance with the instructions received from the Maine Turnpike Authority. Note: E-ZPass Sticker Tags cannot be moved among vehicles and will no longer function or be reattached once removed.
21. Account Holder accepts responsibility for paying the full cash fare if the E-ZPass Tag is not used in accordance with the instructions and the terms and conditions of the Maine Turnpike Authority.
22. Maine Turnpike Authority E-ZPass participates as a member of the E-ZPass Interagency Group and maintains reciprocal agreements with other participating E-ZPass agencies. Account Holder agrees that if an E-ZPass Tag issued to Account Holder's account is used at any location accepting E-ZPass as a payment mechanism, all costs incurred in connection with the use of their E-ZPass Tag will be charged by MTA to their account, and Account Holder is responsible for all such charges. For current information regarding locations where E-ZPass is accepted, Account Holders may visit the official E-ZPass website https://www.e-zpassgroup.org/e-zpass-program#where-ezpass-works.
23. Account Holder agrees to use the E-ZPass Tag for the payment of tolls for only one vehicle at a time while driving on the Maine Turnpike or the highways of any reciprocal agency.
24. Use of the E-ZPass Tag on the Maine Turnpike or at any reciprocal agency constitutes the Account Holder's agreement to comply with all of the rules, conditions, and rates established by MTA, or by the reciprocal agency for the use of Electronic Toll Collection.

PAYMENT METHODS

25. Available methods of payments for Tag purchase and/or Prepaid Balances are: cash, check, or credit card. Automatic Replenishment payments may be made by credit card.
26. Available methods of payment for postpaid charges are cash or check. Credit cards are not accepted for payment on Postpaid Plans.
27. A fee will be charged to the Account Holder for all returned checks. Please refer to the Fee Schedule below.

PREPAID BALANCE REPLENISHMENT OPTION

28. Account Holder acknowledges that they will replenish their account balance when the balance reaches a minimum of 25% of the prepaid (or optional higher) balance, regardless of which replenishment option is selected. This amount is subject to change based upon usage and the number of Tags in the account. Please refer to the Tag Purchase & Prepaid Balance Worksheet.

AUTOMATIC REPLENISHMENT

29. Account Holder acknowledges that their signature is required to enroll or terminate their participation in the Automatic Replenishment Program.
30. Account Holder agrees to maintain a valid payment method on file with the Maine Turnpike Authority if participating in the Automatic Replenishment Program.

MANUAL REPLENISHMENT

31. Account Holder agrees to maintain an account balance in accordance with Item 28 above. Manual payments may require 5-7 business days from receipt to process.

POSTPAID BALANCE PAYMENT/ BILLING

32. Payment of invoice is due on the 10th of each month. Payments received after due date will forfeit the discount. No future discounts will be given until the plan is current. No exceptions will be made.

Maine Turnpike E-ZPass Business Account Terms & Conditions

DISPUTES/REFUNDS/CREDITS

33. All disputes and requests for toll credits must be presented in writing to the Maine Turnpike Authority within one-hundred-and-twenty (120) days of the disputed transaction. A full description of the issue should be forwarded to MTA at the address listed below. MTA or Out of State (OOS) Agencies may deny credit requests that lack justification. Credits issued for Postpaid Plans will be applied to the next month's invoice. Prepaid Plans will have their balance adjusted for approved credits.

34. All refunds must be requested in writing. Payments made by credit card are required to have refunds issued to that same credit card. Refunds may not be issued to credit cards other than those used for the original payment.

35. Refunds will be issued within thirty (30) days of approval by MTA or OOS Agency.

ACCOUNT SUSPENSION/TERMINATION/ CLOSURE

36. The Maine Turnpike Authority reserves the right to suspend or terminate any E-ZPass Tag/Plan/Account at any time.

37. Account Holder's E-ZPass Account may be suspended for violation of the terms and conditions. All past due tolls and/or fees must be paid to reactivate the Account. Use of an E-ZPass Tag on a suspended Account will result in Account termination and Account Holder may be subject to civil penalties and/or criminal prosecution for toll evasion. All past due tolls and/or fees must be paid to reactivate the Account.

38. Account Holder may suspend their Account by notifying the Maine Turnpike Authority in writing, and must also notify the Maine Turnpike Authority in writing when they wish to reactivate the Account.

39. Account Holder may close their Account by notifying the Maine Turnpike Authority in writing. All postpaid plans must be paid in full before the release of any surety bonds.

DEFECTIVE OR LOST/STOLEN E-ZPass TAGS

40. Defective E-ZPass Tags must be brought or sent to the Maine Turnpike Authority Customer Service Center for testing and evaluation. Defective E-ZPass Tags will be replaced free of charge if the failure occurs within three years of issue date. If the E-ZPass Tags show signs of misuse or abuse, the Account Holder must purchase a replacement. Note: E-ZPass Sticker Tags cannot be moved among vehicles and will no longer function or be reattached once removed.

41. Lost or Stolen E-ZPass Tags must be reported to the Maine Turnpike Authority Customer Service Center immediately. The Account Holder is responsible for all charges prior to reporting the E-ZPass Tag lost or stolen. The Account Holder is responsible to purchase a replacement.

DISCLAIMER

42. Maine Turnpike Authority will have no obligation or liability to the Account Holder with respect to the use or the performance of the E-ZPass Tag. Account Holder agrees to indemnify the Maine Turnpike Authority and hold the Maine Turnpike Authority harmless from and against all damage, loss, cost, expense, or liability relating to, arising from, or as a result of the use or the performance of the E-ZPass Tag.

43. Maine Turnpike Authority has not made and expressly disclaims any representation or warranty, expressed or implied, relating to the E-ZPass Tag including, without any limitation, any expressed or implied warranty of merchantability, fitness for a particular purpose, or conformity to models or samples.

COLLECTION EXPENSES

44. Account Holder agrees to pay the costs of the Maine Turnpike Authority, including attorney's fees, required to enforce terms and conditions of the Personal Account Program and the collection of money owed for use of the Account Holder's E-ZPass Tags.

MODIFICATIONS

The Maine Turnpike Authority reserves the right to change these terms and conditions at any time upon reasonable notice.

PRIVACY POLICY

VEHICLES REQUIRING EXTERIOR TAGS

(As of 5/04*)

Below is a list of vehicles known to have windshield designs that prevent the windshield mount E-ZPass tag from operating properly. Customers with these vehicles must purchase exterior E-ZPass tags that are mounted either on the roof or license plate of the vehicles. Vehicles with inverted windshields, metal in the glass or anything obstructing their windshield (e.g., metal visor, car carrier, cement mixer spout, etc.) also may require an exterior E-ZPass tag. For more information, contact your vehicle dealer.

Q: What is *E-ZPass*?
A: E-ZPass is an electronic toll collection system (ETC) that allows your business to pay tolls without stopping on the Maine Turnpike and on more than 40 other toll highways, bridges and tunnels in the eastern United States and Midwest. An electronic "tag" is attached to the windshield or license plate of your company vehicle. This device relays that vehicle's entry and exit locations to the agency where you are traveling. The appropriate toll is then calculated and charged to your Maine E-ZPass account.

Q: Where can I use my Maine Turnpike E-ZPass?
A: You can use your Maine Turnpike E-ZPass wherever the E-ZPass logo is displayed in states including Maine, Delaware, Illinois, Indiana, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Virginia, and West Virginia. A list of E-ZPass compatible facilities is available with application materials and online at ezpassmaineturnpike.com.

Q: Now that Maine has E-ZPass, how do I decide which E-ZPass agency should manage my account?
A: This is an important business decision. The Maine Turnpike would be happy to serve as your "host" E-ZPass agency, but we strongly recommend that you review your business travel patterns and determine which E-ZPass agency makes the most financial and practical sense for your business. We also recommend that you establish an account with a single agency and only use the tags issued by that agency for your travel on all participating facilities. Establishing multiple accounts and carrying tags from different agencies in your vehicles is likely to result in confusion, unnecessary charges, and perhaps violations.

Q: Will the Maine Turnpike's Volume discount program continue under E-ZPass?
A: Yes. The Business Postpaid Plan will offer businesses volume discounts just as the old "commercial" program did. Better yet, we now have a new Business Prepaid/Postpaid Combination Plan that will provide postpaid volume discounts for travel on the Maine Turnpike and the convenience of electronic toll collection on all other E-ZPass toll facilities. Finally, for businesses that have never joined our postpaid volume discount plan because of surety bond requirements, we now offer a new Business Prepaid Plan that allows you establish a prepaid balance from which your tolls will be deducted as your travel in and out of Maine.

Q: Will a Maine Turnpike E-ZPass account provide discounts in other states?
A: Each E-ZPass facility operates under its own toll rate structure. Some may offer discounts to customers enrolled with outside agencies, but most do not.

Q: Will the Maine Turnpike provide discounts to customers with an E-ZPass account from another agency?
A: No. Customers with E-ZPass accounts from other agencies will enjoy the convenience of E-ZPass on the Maine Turnpike, but will pay regular toll rates. To benefit from Maine Turnpike discount programs businesses must establish an account with the Maine Turnpike Authority.

Q: How are my tolls paid when traveling out of state?
A: If you plan to travel out of state, you need only make sure there is a sufficient balance in your Business Prepaid Plan. The E-ZPass agency that governs each facility where you go will record your travel and charge the appropriate toll to the Maine Turnpike Authority.

Q: Do I have to open accounts accounts with other agencies to use E-ZPass on other facilities?
A: No. By establishing a Maine Turnpike E-ZPass Account and opening a Prepaid Business Plan, your business can use E-ZPass on all participating facilities.

Q: What is the minimum opening balance required to establish a Business Prepaid Plan?

A: Businesses are required to establish an opening balance equal to $20.00 per each axle of the vehicles enrolled in the plan. For example, a business wishing to enroll 3 five-axle vehicles must establish a minimum account balance of 15 x $20.00 = $300.00

Q: How will my company replenish its Business Prepaid Plan?
A: The easiest way to replenish your account is to sign up for "Automatic Replenishment." With Automatic Replenishment, your credit card is charged and your plan is automatically replenished whenever you balance falls below a pre-selected level. You will not have to worry about running short on funds. Of course, you can also replenish your account by keeping track of your balance and calling the E-ZPass Business Department with your credit card or sending a check whenever necessary.
Note: When making payment by check please allow 5-7 business days for processing.

Q: How will I be notified when my prepaid funds are low and in need of replenishment?
A: If you do not select the "Automatic Replenishment" option for your prepaid plan the only notification you will receive will be via the island display screen and traffic lights at entry Toll Plaza's. A yellow light along the island display screen displaying "EZ-Pass Low" will appear when your account reaches 25% of the system required minimum balance as noted on your original application.

Q: How much does a Maine Turnpike E-ZPass tag cost?
A: The Maine Turnpike Authority will sell the tags at cost. Interior sticker tags are $5.00 each, plus tax, Interior windshield tags are $15.00 each, plus tax. Exterior tags, installed on the vehicle license plate, are $17.00 each, plus tax.

Q: How do I know if I need a sticker, windshield, or license plate mounted tag?
A: Most businesses prefer interior windshield tags, which are mounted just behind the rearview mirror. They are easy to install, to remove and to transfer from vehicle to vehicle. Interior tags, however, do not function properly in some vehicle models (see enclosed list of "Vehicles Requiring Exterior Tags"). Typically, any truck that has an outside sun visor or a very flat or inverted-slant windshield requires an external tag. Some businesses prefer the security of a tag that is permanently mounted to the license plate.

Q: Do E-ZPass batteries need to be changed?
A: No. A lithium battery is permanently sealed into each E-ZPass tag. The Maine Turnpike guarantees each tag for a three year period.

Q: Can E-ZPass tags be transferred from vehicle to vehicle?
A: Sticker tags cannot be transferred. Once removed from the windshield they are disabled. Hard-case E-ZPass tags are transferable between vehicles of the same E-ZPass Vehicle Reference Code (VRC). To determine your vehicles' E-ZPass VRC, refer to the Vehicle Reference Code chart in the application packet.

Q: What is a Vehicle Reference Code (VRC)?
A: To assure compatibility between E-ZPass agencies, all vehicles are identified by a common Vehicle Reference Code (VRC). The VRC is determined by the vehicle's size, weight and number of axles.

Q: What happens if I have more than one E-ZPass tag in my vehicle?
A: Multiple active tags in a single vehicle can result in inadvertent charges and violations. We strongly recommend that you establish a single E-ZPass account with just one agency and carry just one E-ZPass tag in each vehicle. If you must carry multiple tags in a single vehicle, it is the driver's responsibility to place the additional tags in a shielding bag to avoid unintended charges.
